Eliza Black and Coronis Real Estate know full well, that there have been lies to QCAT (which were treated as evidence) for the purpose of Perverting the Course of Justice (why else would anyone do it?), which in fact have resulted in an injustice which is currently being Appealed. However Ms.Black and the Agency, do nothing to rectify the situation while totally & utterly avoiding the hard questions to myself and to QCAT, in their serial delinquency and disrespect towards tenants. This Coronis outfit clearly has a culture of treating tenants as trash, and then lying about it, and should NOT be licenced to do so by QLD Licencing Authority. An evidence brief is at: <https://elizablack.coronis.rentals/index.html#EVIDENCE>
Licence details: Eliza May Black 3040459

Where did the matter take place?

Please describe the location to help us refer your feedback to the correct area, e.g. the address of the house or name of the hospital.

Rented premises at: 8 Musa Place Aroona QLD

If you've raised this with us before, please provide your reference number and/or name of the person you dealt with.

What outcome are you expecting?

Given Ms. Black and all of the Coronis Agency management have been provided with irrefutable evidence of lying to QCAT, those that are delinquent in this cover up, should not be licenced.
